

**Experiment with making a Greek style pot using clay or plastecine/playdough (or any other materials). Research how they decorated their pots and put a Greek design or your creation. Bring it in to show us or send us a photo of it.**

**In RE we are looking at parables in the bible. Look at a parable you are interested in. Write the parable in your own words and draw a related picture.**

## **It's all Greek to me!**

**We are looking at Ancient Greece**

**Year 3 Spring 1**

**Choose 4 activities**

**Hand in date**

**Tuesday 13th February 2024**

**We are reading and writing Greek myths. Can you find book about Greek Myths in the library or search on line and read some stories at home. Send us a photo of you reading.**

**We have been thinking about symmetry in Maths. The England flag is symmetrical but the Greek flag is n't. Could you investigate some more flags and decide which are symmetrical and which are not. Perhaps you could draw some or print some off the internet.**

**Free choice activities related to the topic. What can you come up with?**

**We are thinking about different time zones as part of our geography learning. Think about some different countries in the world and find out what time it is in that country compared to the UK. We are already comparing the UK and Greece in class. Perhaps you can mark the countries on a map.**
