

Animal Magic

Year 4 Summer 1 topic.

Choose at least 4 activities to complete at home.

Design an amazing new habitat for your pet or an exotic animal — explain how it works; and make a model of it.

Create a set of fact cards / top trump cards about animals and their habitats.

Do you have a favourite animal? Why not make a model of it or write a super facts sheet about it.

Go on a bug hunt and design a Venn diagram for the bugs you find.

Write poems about different habitats or animals you might find in a garden, jungle, wood or other place. Can you read it out to the class?

Can you make a quiz using images on a computer about animal habitats or food chains? Maybe use a PowerPoint to present it.

Design and make an African musical Instrument .

Pretend you are a great explorer— make a video of your animal discoveries in different places and e-mail it in to school

Free choice !
Can you think of other activities related to the topic?
Puppets, paintings or story telling!

Redesign the front cover for the class reader 'The Butterfly Lion' by Michael Morpurgo.

Compile a scrap book, or use the homework book, to provide facts about a specific part of the country or planet where different creatures live. Maybe the seaside or Australia?
