A prayer for Peace

Jesus Light of the World, you promised to be always with us.

We pray for the people of the Ukraine, for all those suffering and afraid, that you will be close to them and protect them.

We pray for the world leaders, for compassion, strength and wisdom to guide their choices.

We pray for the world that in this moment of crisis, we may reach out in solidarity to our brothers and sisters in need.

May we walk in your ways so that peace and justice become a reality for the people of Ukraine and for the entire world.

Amen.

Hi everyone,

Just to remind you of the upcoming dates for our regular secondhand uniform sales, this will help the environment and hopefully save you all some money. They will be at 3.00pm in the hall

alongside the book sale/swap.

The dates will be-

Thursday 5th May

Thursday 9th June

Thursday 7th July

If you have any old uniform that you would like to donate please drop it into the office.

Thank you very much.

MARCH SCIENCE CHALLENGE

Can you design and make a musical instrument?

Think about different sorts of instruments and what kind of sounds they make?

Are you going to blow, bang, tap or shake your instrument? Is it going to be low or high pitched - can you make it make different sounds just by the way it is played?

Answers as usual to year6@st-helens.southend.sch.uk or directly deliver them to Mrs Miller!

Y5 and 6 choir took part in the 'Unlocked' project with Southend Choirs. All of the choir participated in the workshops and were invited to perform in the world premier of the song. The children are pictured here with Kerry Andrew, the composer of Unlocked.

Year 6A

Last Friday, the whole school had a walk about observing the work completed in other classes for World Book Day. The potato designs were a big hit! Each class loved seeing the work produced by their peers.

3 Robins— reusing and reducing waste

The children had a busy time during Science week.
They each designed a poster about the topic - Growth.

4F had a very busy morning in the nature area. They learnt many new games - cut the rope, bones, fingers and thumbs, slaps and otter, salmon, eagle. They all took part, co-operating well and having fun. We moved into the nature area where we completed a blindfold trail. Some of the children described their feelings of being fearful, worried and nervous when blindfolded. When they were leading, they felt responsible for the safety of others. We also completed the task of pond dipping with much excitement.
