Senior Leaders Special Mentions

4 Fountains and 4 Gideon
for your impressive Stations of the Cross service -
it was respectful, informative and with amazing
singing and acting too.
Thank you for performing to your families and to
the rest of the school.

Archie Green
for your very impressive persuasive writing -
I would have been persuaded! Well done

A prayer for Peace

Jesus Light of the World, you promised to be
always with us.

We pray for the people of the Ukraine, for all those suffering and afraid, that you will be
close to them and protect them.

We pray for the world leaders, for compassion, strength and wisdom to guide their
choices.

We pray for the world that in this moment of
crisis, we may reach out in solidarity to our brothers and
sisters in need.

May we walk in your ways so that peace and
justice become a reality for the people of Ukraine and for the entire world.

Amen.

**Wishing you
a happy
and holy
Easter.**

Year 4
presented the
Stations of the
Cross to help
us prepare for
Easter.

Learning about the Calendar

April Science Challenge

Look up some rockets on the internet, in books or magazines. Can you design and build your own rocket using materials you can find your own home? Take or draw a picture and record all your ideas/designs. Can you think of a way to make your rocket fly—making space for a balloon and letting go, using bicarbonate of soda and vinegar. With an adult's help, test a variety of ways to make your rocket fly. Which way was most successful and why do you think it was? Did your rocket survive?

Answers as usual to year6@st-helens.southend.sch.uk or directly deliver them (rocket style) to Mrs Miller!

Left: Playing games they had designed and made themselves.
Above: Making volcanoes.
