Robin's class have been learning how to read grid references this week. We have used maps and atlases to find capital cities of European countries. We have played sink or swim (similar to battleships) against our classmates. We have created our own map of the school field and noted where different items are on our friends maps using four figure grid references. We have loved our map work this week!

Huge congratulations to all the children that represented St. Helen's in the Athletics Championships on Tuesday, 14th June.

It was an amazing morning of sports - 3rd in the field events , 1st in the track events and overall winners!

A brilliant effort by all the children taking part - a fantastic result - well done to everyone involved. We would like to say a big thank you for the parents support and to all our parents who offered to help.

Nite Owls

The year 1-4 children enjoyed a visit from the Nite Owls. Some had their picture taken with the Owls. Proofs will be sent to the school and forwarded to you in due course.
