Southend Foodbank provides 3 days of emergency food to  
people and families in need in the Southend area. Our  
only criteria, is that people can't afford to buy food. Many  
people who come to us are working but struggle to make  
ends meet. With the cost of living increasing, people on  
reduced hours, or  
isolating and unable to work, this can add more pressure  
to their situation. One of our 8 centres is open every day of  
the week except Sunday.

If you want to know more about foodbank support please
