

### **English:**

The children are looking at writing non-fiction reports. They will need to include title, subheadings, pictures or photographs and formal language.

The spellings this half term will be sent home.

### **Ways to help at home:**

Look at some non-fiction writing about a subject your child is interested in and point out the headings and sub-headings.

### **Science:**

**Growing** – The children are looking at parts of a plant. They are putting plants under different conditions to see what happens.

**Music:** The children are learning a new song in which different groups of children sing in different parts. We then accompany this with the glockenspiel.

### **Ways to help at home:**

Sing at home as a family. Find songs which involve different people singing different parts.

**ICT:** The children have been introduced to a program called Scratch. This happened last half term. They are continuing developing these skills.

### **Ways to help at home**

Write or verbalise a series of instructions together to do something. Investigate what happens if you miss something out or put something in the incorrect order (for example cleaning teeth).

**Fact – Not Fiction.**

**Spring Second Half 2022/23**

**PE:** The children are learning to play tennis and badminton. This will involve learning how to hold the racket and how to serve.

### **Ways to help at home**

If you have a tennis racket, try to practise. If you don't use a small ball and bat it with your hand.

### **Mathematics**

Knowing the four times table and related division facts. Multiplying and Dividing by 10. Adding a 2d number to a 3d number and taking a 2d number from a 3d number.

Measuring in cm/m/g/kg/ml/l

### **Ways to help at home**

Practise your times tables walking down the road and in the car. Make a cake and weigh ingredients in grams. Make a mocktail and measure different liquids in ml.

### **Topic: Fact, not Fiction**

The children are continuing to look at aspects of Ancient Greece and they are comparing Ancient Greece to now and how they influenced our lives. They will be looking at how we know what life was like then.

### **Ways to help at home**

May be visit the library and look for some books about Ancient Greece.

### **RE**

In our 'Listening and Sharing' topic the children are learning about the different parts of Mass and why listening and sharing are so important.

### **Ways to help at home**

Discuss the different parts of mass when you go to church. Or discuss the importance of listening and sharing at home.
