

ST. HELEN'S NEWS

ASSISI
CATHOLIC
TRUST

10th March 2023 <https://www.facebook.com/sthelenswestcliff/>

Our Mission Statement

Respect yourself
Respect everyone in our school community
Respect everyone in our local community
Respect everyone in our global community
But most of all, respect God our Father in Heaven

Senior Leaders Special Mentions

SRP

Your amazing assembly all about the earth in space, God's creation of the earth and reminders about internet safety.
Your homework projects were very impressive.
Very well done!

6 St Raphael & 6 St Anthony

Representing the school so well at the Women's day of prayer. The country of focus this year was Taiwan.
Thank you!

Cheese triangles 2 for 35p

Mini cheese/babybel & Breadsticks 60p
2 triangles & Breadsticks 60p
Philadelphia & Breadsticks 75p

The collage consists of six photographs arranged in a 2x3 grid. The top-left photo shows three boys sitting at a red table, looking at a large map of the world. The top-right photo shows a group of girls sitting around a large wooden table, working on a project. The bottom-left photo shows two girls sitting on the floor, surrounded by small wooden blocks and a small house model. The bottom-middle photo shows three boys sitting at a table, working on a project. The bottom-right photo shows a display of a model house with a yellow roof and brown walls, set against a blue background.

A collage of six photographs showing children engaged in various activities: working on a project, sitting at a table, standing and talking, working on a project, using a pipette, and playing a game.

RE Topic– Lent/Easter-Giving

Early Years– GROWING

Looking forward to Easter

Year 1– CHANGE

Lent a time for change

Year 2– OPPORTUNITIES

Lent; an opportunity to start anew in order to celebrate Jesus' new life

Year 3-GIVING ALL

Lent a time to remember Jesus' total giving

Year 4– SELF DISCIPLINE

Celebrating growth to new life

Year 5– SACRIFICE

Lent a time of aligning with the sacrifice already made by Jesus

Year 6– DEATH & NEW LIFE

Celebrating Jesus' death & resurrection

Laudate Si is a letter from Pope Francis asking us to look after our common home. The children were asked to colour in the poster and write on the banner how they could help protect our Earth. The KS1 corridor now has Laudate Si monitors that ensure we look after our school too.

Mrs Summer, a Science teacher from St Thomas More, visited **Year 6**. She discussed about Connections - the use of elastic in certain designs and the way the Roman soldiers used catapults to defeat the opposition. Year 6 experimented when making their own catapults, trying to achieve precision, resilience and distance. Continuing to experiment, Year 6 altered their designs constantly. The results can be seen below!

Thank you Mrs Summers.

Year 6 enjoyed practising routines on the Gymnastic equipment. They devised many balances and we are looking forward to developing sequences including contrasting moves.

Year 6 enjoyed a morning learning about the process of mummification. After watching a video regarding the process, they tried their own mummification process using Tomatoes and apples. They cut open the tomato, removing the insides before covering the tomato with a salt and soda solution. Year 6 will observe what happens in the next few weeks!
