

### Reading:

Reading is the best way that you can support your child at home. Please try to read for at least 10 minutes per day.

### Writing:

During this half term... we will be working on creating fact files and instructions.

Can you create a fact file all about yourself?

### A gentle reminder:

Parental engagement makes a big difference to a child's learning and we really appreciate that! However, it is also important that pupils complete work independently- we don't mind if it is a little messy as long as they are proud of what they have produced!

### Phonics/ Spelling:

The first half term, we will be revising some Year 1 objectives: alternative pronunciations, split diagraphs, plurals & common exception words.

Next half term we will begin to work on spelling patterns so watch this space!

## Homework

### Autumn 1

### Let's Get Creative:

During this half term...

Make a model of your favourite animal to show the class.

### RE:

Respond to the story of Noah's Ark.

Some examples of this may be creating a picture and writing about it. Write a story, poem etc.

### Times Tables/ Learn Its/ Number Bonds:

Times Tables: 10s

Learn Its:  $7+4=11$   $8+4=12$   $9+4=13$

$8+3=11$   $9+3=12$
