Calling all parents!

If your job has a science theme and you would be willing to talk to our children regarding your job, any equipment and materials you use and what your day to day routine entails we would love to hear from you. Please email Mrs Miller via the office. Classes often need first hand experiences and would really benefit from a talk with a professional or anyone who has an interest in a certain subject!

Jobs could include health professional, opticians, builders, mechanics, gardeners, electricians, animal lover, the list is endless.

You would be contacted by the relevant class teacher to arrange a convenient date and we would only need an hour of your time or longer if you are happy to stay!

Thank you as always for your help in bringing science alive to the children of St. Helen's.
Sam Miller

Please check the website for all dates as this is updated regularly. Thank you.

SCHOOL UNIFORM

Please check that your child is wearing the correct uniform to school. Hair accessories should be blue and of a suitable size please. Jewellery and extreme haircuts are not allowed. The correct school uniform is all listed on our website and is available from Pauls, Southchurch Road and The School Uniform Shop, Hamlet Court Road. Don't forget to check the email from the PTFA about spare uniform available through the school.

Could you help please?

As part of Women's World Day of Prayer, Year 6 are studying the country of Zimbabwe. If any of you have visited or lived in Zimbabwe and would like to come in and talk to the children and share your knowledge this would be great. We would be very grateful if you could spare some time as meeting you would help the children to deepen their understanding of the country. Thank you.

PTFA – Christmas Fair

Thank you to everyone that came to the Christmas Fair and to the PTFA for all their hard work organising this wonderful event. A massive £1,100 has been raised. Thank you once again to all the helpers and thank you for your donations.
