Thank you Mrs Jenkinson

A very big thank you to Mrs Jenkinson who kindly came in to talk to Class 6 about Zimbabwe. The children were really interested to hear what she had to say and appreciated her visit.

Every minute matters

As soon as the children come into school their learning begins, whether this is forming friendships on the playground or starting work in class. When your child is late they may miss vital information given out at the beginning of a lesson. Some children are also very unsettled having to enter a classroom or the assembly hall by themselves if they are late. Please make every effort to get your children to school on time, we want to make the most of every minute.
