Car Park Gates

We are constantly reviewing safety at school including the children's safety directly before and after school. We have therefore decided to lock the gate from the car park into school to prevent any accidents with parents and children crossing the car park whilst cars might be entering. We ask that you please always use the proper footpaths outside school so that you are always visible and use the main pathway to access the school office/reception. Thank you.

Smile!

Colgate have kindly given us a toothbrush and toothpaste for every child in Hedgehogs, Squirrels, 1 Starfish, 1 Jellyfish, 2 Seahorses & 2 Oysters. So please check your child's bag this week, get brushing and smile, thanks to Colgate.

Palm Crosses

Father Alex will be burning last year's Palm crosses at school on Friday 14th February. If you have old palm crosses please send them into school before then. Thank you.

3C on an expedition to the South Pole. They had to pack their sledges, then man haul them across mountains, icy lakes, glaciers and crevices before reaching the South Pole!
