

Literacy

We will be learning to write

A letter

Setting and character descriptions.

TFW will be used to encourage children to recognise features of a text with the aim of the children incorporating these features in their writing. We will also be looking at improving our sentences by using adjectives and adverbs.

In our grammar work we will be continuing to look at common exception words and we will be looking at homophones.

Ways to help at home

- encourage your child to consistently use the correct punctuation.
- Listen to your child read daily and ask them questions about the text.

Mathematics

We will be:

- Children will learn to use appropriate standard units to estimate, measure and compare length/height in any direction (m/cm); capacity (litres/ml) to the nearest appropriate unit, using apparatus.

Children will begin to learn to tell the time o'clock, half past, quarter past and quarter to.

- Children will learn about fractions and finding $\frac{1}{2}$, $\frac{1}{3}$, $\frac{1}{4}$, $\frac{2}{4}$, and $\frac{3}{4}$ of a shape and a number.

Ways to help at home: Reinforce child's learning by using mathematical vocabulary at home. Practise 2, 5, 10 times tables.

RE

Our topics this term are:

Thanksgiving and

Opportunities.

The children will use role play, sequencing and writing to show feelings and demonstrate understanding.

Ways to help at home

Talk to your child about their religious education studies.

PE

Ball skills - throwing and catching.

Daily mile

Ways to help at home

Encourage your child to be active.

Music

We will be learning songs for our class assemblies and the Infant music festival.

Computing

The children will begin to investigate Microsoft programmes.

Ways to help at home

Discuss and practise e-safety and the importance of it with your children. Encourage your child to practise their keyboard skills on a computer.

Once Upon a Time

Topic

Our topic will incorporate literacy, geography, science and art and design.

We will be:

-In art and design we will be designing and making our own theatres and backdrops out of cardboard boxes and different materials of our choice.

We will be making finger puppets using felt.

We will be making gingerbread men.

-In Literacy the children will be writing letters as well as character and setting descriptions.

-In science the children will be using observations and finding out about human and animal growth and development.

-In geography we will use google maps and we will be mapping our journey to the Cliffs Pavilion. We will be identifying the countries and capital cities of the UK.

-In history we will be looking at the timeline of storytelling.

Clc Maths

C-Reading 3d numbers, Partition 2d numbers, Understanding numbers to 20, Counting in 50s, 500s, 5000s, 1/2s

Learn Its - $5+4=9$, $5+6=11$,
 $6+7=13$, $8+7=15$, $8+9=17$

I-add 100s, Double 2d numbers, I know half of 30,50,70,90, Number bonds to next 10 eg $26 + 4 = 30$

C- Solving 2d-1d, 3d-1d, using objects to share and solve division number sentences.
