

Science – Produce a fact file/ poster about Electricity – who invented it, the early days, how is it used today, renewable sources, symbols used when drawing circuits, imagine life without electricity, Zimbabwe link.

You do not have to cover all these topics!

English-

- Try reading a variety of different texts. If you find one you think is particularly good, write a book review recommending why others should read it. (This can be added as Starbooks' tokens)
- Taking ideas from the shared story writing you did with your partner in class, write your own story. Remember to plan in advance using:
 - 1) Create the problem
 - 2) Decide if the problem is sorted or not
 - 3) Plan the ending
 - 4) Choose dialogue, event, setting or character description opener and build up tension.

To add a little spice to your story, you need to incorporate the following in some shape or form:

- a) a door slams shut
- b) a distant relative appears
- c) a tunnel is used
- d) an ice-cream is bought

Design a game for children to play that uses electricity- eg- Operation?

Draw your design and label. If you can, make your design – lego, knex, cardboard boxes. Send us a photo of the design or build!

Year 6 Homework Web April 2020

*Don't forget to complete your
Maths and English sheets – one a
day!*

Email all of your efforts to our school address at:
years5and6@st-helens.southend.sch.uk

Game – A-Z – with your family/friends.
Go through the alphabet with different topics: cities, countries, boy's names, fruit and vegetables, songs, films, musical performers, places, animals etc.
It's surprising how many you can think of. Alternatively, write them down and see how many you can score in 5/10mins etc. Enjoy!

Religious Education

1. Write a prayer that you could say daily and decorate it.

2. Our new topic is **Witnesses**
Design a front cover for our new topic. Important vocabulary is:
witness, courage, truth, bravery, inspiration, martyrs, Holy Spirit, Ascension. Add the words and meanings to your front cover and make it as colourful as possible.

3. Write a diary entry for when the disciples saw Jesus in Galilee (Matthew 28,16-20) Read this extract. Remember Jesus has died and said he would rise again. Discuss the feelings & fears of the disciples. How do they respond to Jesus' words? What does future hold for them?

Pretend you are one of the disciples – remember you are very scared but Jesus' words fill you with bravery and joy. If you can, send them to us, we'd love to read your entries.

years5and6@st-helens.southend.sch.uk

4. Can you find out about a local charity which helps people? Tell us a little bit about them, what they do, how they help and how are they witnesses to God's message.

A few websites are listed below to help you but you may like to find your own. Good luck!
