Also, look it up in the Bible (Luke 24). Then, design a story board to show what happened on the road to Emmaus. Annotate your drawings to explain what is happening in each picture.

Read Paul's letter to the Romans (Romans 8:14-17). You've been asked to make a clip for TV speaking about how Paul's message reminds us to live in a Godly way. Write a short script (include examples) and record yourself!

Write a story about this picture.

Recall the story of Pentecost. You can visit <https://www.sadlier.com/religion/blog/pentecost-activities-for-kids-and-pentecost-prayers> or look it up in the Bible (Acts 2: 1-43). Imagine you were baptised in Jerusalem. Write a letter to a friend telling them how believing in the Holy Spirit has changed your life.

### THE ANGLO-SAXON CHALLENGE:

Read about the Anglo-Saxons. Visit <https://www.bbc.co.uk/bitesize/topics/zxsbcdm/articles/zq2m6sg>

Your challenges are in green, blue and purple! Start by drawing a map of Europe. Use arrows to show how the Anglo-Saxons invaded Britain.

Read the whole web page above, watch the clip on Anglo-Saxon life. Create a presentation about growing up in an Anglo-Saxon village. You can create a PowerPoint or use paper, card, coloured pens, draw or stick pictures—any materials you like!

Watch this clip to remind yourself about the conversion of Saul: <https://www.youtube.com/watch?v=rLZ67inPx-4> Or read about it in Acts 22: 6-16. Next, look at this painting: <https://www.christianiconography.info/webmuseum/paulConversionFraAngelico.html> In your own words, discuss what you see and what is happening in the image. How has the artist told the story in his painting?

Complete your Maze game in Scratch. Visit: <https://scratch.mit.edu/projects/57805794/> Challenge yourself to code commands to make your sprite move and ensure there are consequences for their actions!

Read about when the Anglo-Saxons arrived here. Visit <https://www.bbc.co.uk/bitesize/topics/zxsbcdm/articles/z23br82> Either create a mind-map about why the Anglo-Saxons came to Britain... OR... Do some further research about the Briton King Vortigern and create a fact file about him.

Using the internet, look up Anglo-Saxon brooches. Design your own brooch based on their designs. Then make your brooch using any materials you choose. You can make as many as you like. Take photos!
