

Year 5 - Homework web

Judaism - Watch this BBC clip about the story of Passover and how Jewish people celebrate today with Pesach festivities - <https://www.bbc.co.uk/bitesize/clips/zmq6sbk> Draw and decorate a Seder plate; draw and label the special food which goes on it. Challenge: Explain what each item symbolises.

Sikhism - Take a look at this BBC clip about Sikh traditions and how the Khalsa were formed: <https://www.bbc.co.uk/programmes/p0114ndn> Write a letter to a friend imagining you were present when the Guru was asking for volunteers. Explain what you saw and how you felt during this experience and afterwards.

Revise what you know about cyber safety by checking this link out: <https://www.bbc.co.uk/cbbc/findoutmore/help-me-out-staying-safe-online> Then, using your choice of computer software, create an exciting presentation about what you read and watched. For example, you might want to use PowerPoint (make your transitions interesting) or even Word (use bold, italics, underlining and colours to make important information stand out).

Look up the Genesis story online and read from the Bible (Genesis 1:1-25). Use this to write a prayer giving thanks to God for his creations in nature. You could start each line with 'We praise you Lord for...'. Decorate the borders of your prayer with nature-inspired artwork. You could draw, paint or even use collage!

Continue reading from Genesis (1:26-31). Do some research about how God gave humankind the responsibility to care for this Earth. Think about how we can do this. Present your findings any way you like. For example, an information text, mind map, PowerPoint or a poster. Challenge: include references to the Bible.

Can you devise a song, rap, dance, poem or play about your experiences during this Lockdown period? Your creation should express how you feel (remember you can include positive and negative emotions) and your hopes for the future. Make sure you ask someone to record you (and anyone else) performing it!

VIKING CHALLENGE 1:
Learn about the Vikings. Visit <https://www.bbc.co.uk/bitesize/topics/ztyr9j6/articles/zjcxwty> Focus on the section titled The 'great' Viking invasion. Draw a comic strip about how the Vikings invaded England!

VIKING CHALLENGE 2:
Watch this clip - <https://www.bbc.co.uk/bitesize/clips/zrthfg8> and perhaps do a little more research into Viking longhouses. Can you build a model longhouse? Think carefully about what materials you might use and make sure you take pictures!

VIKING CHALLENGE 3:
Find out about the Viking gods and goddesses by reading <https://www.bbc.co.uk/bitesize/clips/zyy9wx5> Create and make your own game about everything you have learned - it can be any sort of game you like and don't forget to make it challenging!

VIKING CHALLENGE 4:
Do some research about Viking runes (the alphabet they used). Can you write your name in runes? Or even a sentence or two? Can you challenge yourself further? Could you write a message for a friend to decode? Include a key though!
