

St.Helen's
Catholic Primary School

Welcome to your new
class
3GC

Your new teachers will be Mrs Pease (Mon/Tues) and Mr Curtis (Wed/Thurs/Fri)

We are really looking forward to welcoming you to class 3GC in September as we have some great topics and projects to do, with lots of different learning activities lined up.

We will continue with some of the things you are used to such as CLIC, Big Maths Beat That and Big Writing. Plus we will be doing lots of art and DT and PE. We will also be using computers during our learning and trying to read as many books as we can. We wonder who will get their pen licence?

Our First topic will be 'The Land That Time Forgot'

Which dinosaurs do you like?

Can you describe your favourite dinosaur?

Which is the most powerful dinosaur of all?

What did dinosaurs eat?

Where did dinosaurs live?

Why are dinosaurs not on earth now?

Which animals are related to dinosaurs?

Look at the fun things last year's Year Three classes did!

We made healthy kebabs and sandwiches

We investigated using magnets

We watched videos of myths and legends

We wrote some brilliant stories

We measured things big and small!

We designed some amazing collages

We created some origami

We had fun in the nature area

We enjoyed playing dodgeball, bench ball and kick rounders

And that was just the beginning!

Can you imagine what these amazing creatures were like!

Let's find out as much information as we can about these Dinos!

Fossils

What are they ? What can they tell us?

This is the famous fossil collector Mary Anning.

Why is she so famous and what did she do?

Here are some activities you can do over the summer holidays-

- *Find out the names of five kinds of Dinosaurs and make a fact file about them.

- *Research which dinosaurs you can find at the 'Natural History Museum' in London. Why is it one of the most famous museums with Dinosaurs in the world?

- *Create your own Dinosaur! Draw a picture and label it.

- *Collect and draw shells from the beach. Find out about them. They are like fossils.

Summer is here. We hope you enjoy the summer and we look forward to seeing all of Class 3GC in September.
