Some Ideas for the holiday...

- ▶ Why not keep up to date with spelling shed - I will be setting spellings each week for you.
- ▶ Don't forget your times tables - this will really help when we are back in school - look at the 'topmarks' website for lots of maths games.
- ▶ Have a go at writing a Summer Holiday Journal about the favourite things you get up during the holidays or maybe write a diary for every day, or week and illustrate it with drawing or pictures too.
- ▶ Can you write a character reference about yourself, your likes and dislikes favourite films, books and songs, what you like at school - draw a self portrait too so I can get to know something about you when we meet in class in September.
- ▶ Remember you can still use Education City over the summer for some fun learning games too.

and remember to have a fantastic holiday!
