I am really looking forward to welcoming you to class 2S in September as, Coronavirus or not, we have loads of great things to do, see and learn.

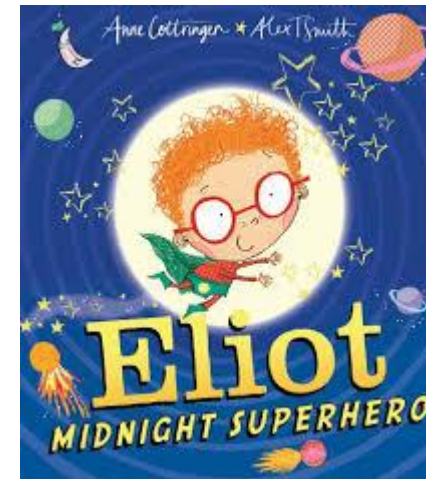

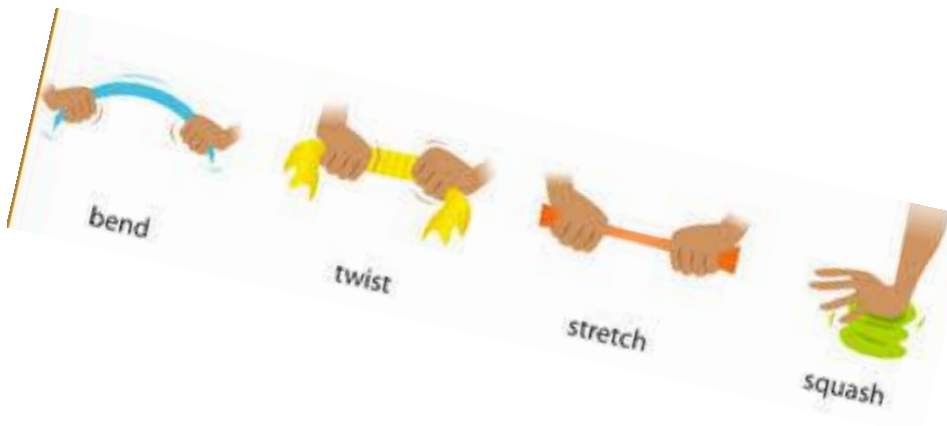

We have some great topics and projects to do, with lots of different learning activities lined up.

Over the next few slides are some details of the type of things you can look forward to during the course of year 2!

Our first half term....

We are superheroes

- ▶ We will be looking at everyday heroes and investigating the life of Mary Seacole and Florence Nightingale.
- ▶ We will be following the adventures of Eliot the Midnight superhero.
- ▶ We will be testing our 'super' strength on different materials. Will we be able to stretch, bend, twist and squash them?

Some of the things we will get up to.

Some ideas for the holiday...

- ▶ Can you find your home on Google Earth?
- ▶ Can you make a fact file of your favourite superhero?
- ▶ Can you make a list of different materials that you can find in your bedroom?
- ▶ Can you make a superhero secret base out of recycled materials in your home?
