

### **Literacy and Maths**

These activities will be set daily, through an email. From

[year5@st-helens.southend.sch.uk](mailto:year5@st-helens.southend.sch.uk)

### **Music**

Listen to 'The Planets' by Gustav Holst  
<https://www.youtube.com/watch?v=Isic2Z2e2xs>

A guide:  
<https://www.classicfm.com/composers/holst/pictures/holsts-planets-guide/saturn/>

We would love to see any of the work that you produce!

You can email over any photographs you take of your work, or any tasks you have completed on Word documents and PowerPoint presentations.

[year5@st-helens.southend.sch.uk](mailto:year5@st-helens.southend.sch.uk)

### **RE Topic: Mission**

Research a local charity, such as a hospice, charities supported by the parish, or a national charity that may have significance for someone in class or within the school, e.g. RNLI (Life boats), Caritas, CAFOD, Missio, NSPCC, RSPCA, HARP etc. Find out such information as:

- who was the inspiration for the group
- who is involved
- who do they help
- how are they funded
- how people can help
- what reasons people have for wanting to help. Present findings to the class.

Create a leaflet (either on the computer or on paper)

Weekly Home Learning Tasks

Week beginning 5/1/21

### **PE**

#### **Pe with Joe (Joe Wicks)**

<https://www.youtube.com/channel/UCAxW1XT0iEJo0TYlRfn6rYQ>

#### **Mindfulness activities:**

<https://www.youtube.com/user/CosmicKidsYoga>

-Go for a walk/ bike ride etc.

-Create your own exercise routine

### **Topic**

If there is something else on the theme of 'space' that interests you, you are welcome to follow your interests

- 1) Create your own space poem or song to perform to the class... when we are back together.
- 2) Make a space collage. Don't forget to include: stars, planets, moons, comets etc.
- 3) Living on the moon or another planet in our solar system is a fun thing to think about. Decide on a new planet / moon to inhabit, you must explain why and what you are going to do when you get there. How are you going to make it liveable? You can present the information however you wish.
