there are
so many
beautiful
reasons
to
be
HAPPY.

Our Mission Statement

Respect yourself
Respect everyone in our school community
Respect everyone in our local community
Respect everyone in our global community
But most of all, respect God our Father in Heaven

AT HOME

It has been great to see all the wonderful work that you are doing at home, your teachers love hearing from you.

Please check your emails regularly for home learning activities for your children and the website for the latest information. If you need to contact the class teacher please use the year email address. We will keep you updated with any changes as and when we can.

AT SCHOOL

We are enjoying seeing some of our children in school this week and appreciate all our wonderful parents and carers that are working and providing essential services for us all.

If your child is in school please remember to take advantage of the many testing stations and have a test weekly please. Your child does not have to stay at home waiting for results unless they are being tested because they have symptoms. It is vital that if your child has any symptoms you book a test straight away and do not come to school.

We appreciate these are very worrying times but would like to reassure you that every member of staff at school is doing their utmost to keep your child safe whilst they are in our care.

Do what
you can,
with what
you have,
where you
are at
