

### Challenge tasks:

PE: Joe Wickes is starting his morning activity workouts every Monday, Wednesday and Friday join in and take part.

PSHE: If you go for a walk for some exercise, can you fill in an A-Z list of things you see?

Science: Forces pushes and pulls. As we walk through a door, we have either to push it or pull it in order to open it. This creates the force for the door to be moved. Thinking about when you do everyday activities, what forces do you use?

e.g Putting trousers on = pull

### Things to do:

A set of playing cards can be used in so many different ways: To play games, to order numbers, to find pairs, to make number bonds.

With a family member play some different card games.

Can you make up your own card game? It could be as easy as number bonds to 10 snap or you could make the game more difficult. Write the rules for your new game

### Mrs Conyard's Super Challenge: How many things can you find in your house or garden that begin with the letter B?

#### Mathematics:

1. There is a song that helps us remember how many days are in a month and it goes like this.

Thirty days has September,  
April, June, and November,  
all the rest have thirty-one.  
February has twenty-eight,  
but **leap year** coming one in four  
February then has one day more..

Recite it, Rewrite it, decorate it and perform it.

2. Can you research what a **leap year** might be?
3. Go on a shape hunt. Can you list or draw pictures of things that are cylinders, cubes and cuboids? What 2d shapes can you see on these 3d shapes?
4. Using a ruler or a tape measure, can you measure accurately some objects in your home?

### **Home learning web for 11<sup>th</sup> January 2021 Year 3**

**Please remember to use our email if you have any questions or queries and for any work completed to  
year3@st-helens.southend.sch.uk**

#### Literacy:

1. Follow this step by step you tube drawing tutorial to draw a penguin.  
<https://www.bing.com/videos/search?q=how+to+draw+a+penguin+for+kids&view=detail&mid=D0A871AA841441F5C20BD0A871AA841441F5C20B&FORM=VIRE>
2. Create a fact file of an Emperor penguin. Use good vocabulary including a range of adjectives, sub headings and bullet points. Use the internet or a book to find out some interesting facts about where they live, what they eat, how long they live, what makes them so special.

**The BBC have some home schooling lessons and great ideas to support you at home. Marcus Rashford is even doing some PE lessons for you check it all out here:**

#### RE:

**Our new topic for this term should have been Journeys so can you discuss with a parent or a sibling these questions.**

What are the highlights of your year?

Who is with you on the journey through the year?

What makes it good?

Are there any difficult times in the year?

What helps you?

If you were going on an actual journey, who would you like as a companion? How would you travel? What would you take with you? What would be your reasons for these choices?
