RE Topic: Mission

-The bishop's church in a diocese is called a Cathedral. This is where the bishop, as leader of the Christian community in the diocese, has his seat and celebrates Mass. The name Cathedral comes from the Greek word '*Cathedra*' meaning chair or seat.

-Visit the diocesan website: <https://www.dioceseofbrentwood.net/>

-Using this information, design a leaflet for a tourist showing you understand the importance of the Cathedral in the diocese. Describe what its mission is, how it is a centre for parish families and what kinds of activities happen there. Choose an appropriate piece of scripture for the front page of the leaflet that describes the diocesan mission.
