29th January 2021

AT SCHOOL

As part of the Annual RSPB Birdwatch Campaign, Year 3 have been busy building a bird hide in the Rainbow Garden. They are learning how to identify the many birds we have visiting the garden and making sure the bird feeders are topped up with seed. If you would like to take part in Birdwatch, go to the RSPB's website.

Year 6 experimented with different utensils imitating birds beaks to collect their food. The results were surprising.

Great work! Some of you are making us very hungry!

Weekly Testing

We are so grateful to all our parents/carers for taking your children for tests weekly. Staff are all testing twice weekly too. You are keeping each other safe and this in turn keeps our key worker families safe. We can feel proud that we are all doing our bit to keep as many people as safe as possible, this is so important in our fight against COVID. **THANK YOU FOR YOUR SUPPORT.**
