Our Mission Statement

Respect yourself
Respect everyone in our school community
Respect everyone in our local community
Respect everyone in our global community
But most of all, respect God our Father in Heaven

AT SCHOOL

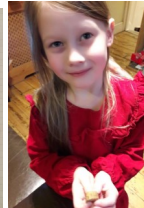

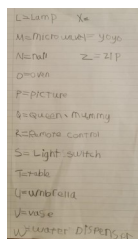

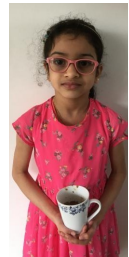

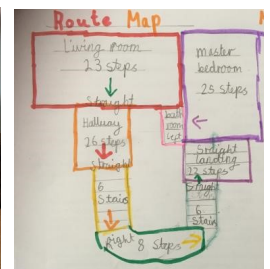

Class 2 have been enjoying making a castle with recycled materials. They have also completed a spectacular stained glass window of the story of Creation.

AT HOME

You have been working hard creating all sorts; a fabulous dinosaur, an amazing compass, stone soup and a cake in a mug! You have also been dancing and giving directions. Fantastic work everyone.

Who are we?

We are the only Independent Parent/Carer Forum in Southend for SEND children and young people aged 0-25 years. We are funded by the Department for Education and meet with the Local Authority in an official capacity and with your feedback we speak on your behalf. We can influence important decisions and shape what is happening right now and in the future for all SEND children and young people.

How can you help?

Visit our website and complete a membership form, so we can update you on changes and projects that we are working on. Once you have completed the membership form we would love you to complete our survey, so we have your indispensable feedback that we can use right now! Sign up to take part in our focus groups too, you have the lived experiences we need, let us know how things have been for you navigating the SEND services in Southend.
