## Our Mission Statement

Respect yourself  
Respect everyone in our school community  
Respect everyone in our local community  
Respect everyone in our global community  
But most of all, respect God our Father in Heaven

Senior Leaders  
Special Mentions

**Congratulations to Olivia Jimmy for winning a prize for her artwork in the ITU Wonderwall Competition.**

Big Pedal starts on MONDAY 19 April and runs for two weeks. Be active and bring your child to school for all, most, part of their journey by walking, scooting, biking. The school will collect numbers of children travelling in this way and we will enter a national competition. Your adult journeys count as well so join your children and build your fitness!!

During these two weeks, teachers will run plenty of activities promoting physical health, walking to school and what to see on their journeys. Thank you for your support.

## Mrs Miller's Monthly Science Challenge

Following on from the success of Science week and the joy and fun of children who completed my challenges, I am now going to set a monthly challenge. Try the experiments/challenges at home and send your results (photos etc) to [year6@st-helens.southend.sch.uk](mailto:year6@st-helens.southend.sch.uk) or alternatively just give them to your teacher for the attention of Mrs Miller.

### April Challenge

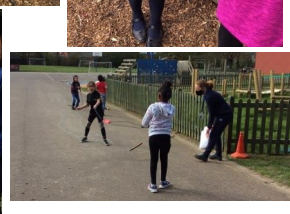

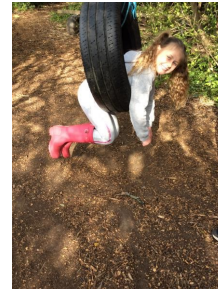

Can you build a roller coaster?

You may use whatever material you wish (meccano, lego, play mobil, straws, lollipop sticks, knex, cardboard, the list is endless) to make the track and then can you make a cart for the track (lego person, table tennis ball, etc).

Good luck, have fun and I can't wait to see your fantastic designs.

There will be a prize for the best/unusual/amazing one.

## OUTDOOR LEARNING FOR 3GC

3GC had an amazing morning in the nature area today. They designed cheerio necklaces for the birds, completed plenty of bug hunts, tried out some new catapults with mixed success and buried dinosaurs only to rediscover them again! The children were able to state what they had learnt, some of them even aged the trees in our area!
