Special Mentions

**Arian Gjeci in Squirrels
for amazing writing
about the nature area.**

Year 6 enjoyed their ratio experiments with a packet of Smarties. We discussed the ratios of fat/protein/sugar in each pack, serving and 100g. Interesting results were found, which led to discussions regarding healthy eating! After we moved onto comparing colours and amounts of sweets in each packet with an understanding that every pack is different!

Brentwood Catholic Children's Society has several charity places for the **Virtual London Marathon** taking place over 24 hours on 3rd October 2021. This can be run anywhere and on completion, runners will receive the official London Marathon Finisher's medal and New Balance T shirt. They will also have access to the London Marathon App allowing them to plot their run on the official London Marathon course. If you would like one of our places and think you could raise a fundraising total of £300, please email Julie jabbott@bccs.org.uk for registration details.

Mrs Miller's Science Challenge

Three intrepid scientists took on the challenge of making a roller coaster this month. The results were fabulous and I'm pleased they enjoyed participating in the challenge. They won some amazing prizes!
