1 Jellyfish

We have been learning and retelling The Gruffalo. We have added actions to the story and have been practising this lots, so we are ready to write the story ourselves next week. We have also used playdough to make the characters.

The Leveret Trail has arrived in Southend!

Yesterday 57 Leverets, designed by schools and community groups, appeared all over Southend as part of the [Hares About Town](#) event. The Leverets are displayed in venues across Southend like the Beecroft Art Gallery, The Forum, Southend Pier and many other locations. They will be on display until 12th September, and at the start of July, they will also be joined by 30 super-sized Hare sculptures across Southend.

St Helen's Leveret will be displayed in The Priory. The countdown is now on, the Hares are coming! The Hares About Town App and Trail Map will be available when the Hare trail goes live 1st July. To stay up to date make sure you are following [Hares About Town](#) on social media

There are lots of exciting ways you can get involved in this event from holding a 'Bad Hare Day' to becoming a 'Volunt-Hare' or visiting the trail in Southend. For more information visit www.havenshospices.org.uk/hares

We have a collecton box at school if you would like to .donate.
